GOLD MEDAL

For hunters who seek only the top record book whitetails, the Sanctuary Gold Medal Hunts are considered a hunting fantasy without equal. When you set foot on one of our ranches, you will be entering a trophy environment without equal. Here, more record-class bucks can be found than anywhere else on earth. On this hunt, you will be entitled to harvest the mature buck of your choice without any additional trophy fees or limitations. Will you get the biggest buck on the ranch? That's up to you...and lady luck, of course.

We cannot offer a sure thing. But, what we can offer is the most unique guarantee in the hunting world today. In keeping with our long-standing policy, we will refund 50% of the cost of the hunt to any guest who chooses not to, or fails to, harvest a Gold Medal buck. That's how confident we are that you will find your dream buck in this, the ultimate destination for the whitetail connoisseur.

All Gold Medal Hunts are five-day, 1x1 guided adventures. Prices for Gold Medal Hunts range from \$9,000 - \$18,000, depending upon the dates chosen within the season.

Over the last three years, Gold Medal bucks harvested have posted scores that range from 150 - 250+ SCI.
